

WOCSDICE - EXMATEC

Gdansk Poland

24-28.05.2026

49th Workshop on Compound Semiconductor Devices and Integrated Circuits held in Europe
20th Expert Evaluation and Control of Compound Semiconductor Materials and Technologies

SPONSORSHIP OPPORTUNITIES

Benefits and Advantages

WOCSDICE–ExMaTec 2026 will bring together leading scientists, industry experts, and professionals in the field of wide bandgap semiconductors and electronic materials. By joining us as a sponsor, collaborator, or exhibitor, your organization will gain visibility and establish valuable connections in a high-level international environment.

Social Impact: Sponsorship strengthens the conference’s visibility and encourages active participation from researchers, institutions, and industry representatives. Free registrations and social events promote networking and long-term collaborations.

Economic Impact: Sponsors play a key role in supporting the success of the event, contributing to its quality and enabling the inclusion of additional activities. In return, sponsors benefit from outstanding exposure and opportunities to create new partnerships.

Environmental Impact: The conference promotes sustainable practices, such as using recyclable materials and minimizing the carbon footprint by relying on digital formats whenever possible.

Visibility and Branding Impact: Sponsors’ logos will be displayed on the official website, conference programme, abstract book, presentation screens, banners, and promotional materials — ensuring wide recognition and continuous exposure.
